## ROOT SPEAKS FOR WOOD.

Secretary of War Before Senate Military Committee.

Washington, Dec. 17.—Secretary Root was the first witness before the senate committee on military affairs, which is investigating the protests against the confirmation of General Leonard Wood to be major general.

Mr. Root's testimony was in defense of General Wood on the charges that have been made during the course of the hearing. He read extracts from official correspondence bearing on the charges and also concerning General Wood's administration as governor general of Cuba. He was on the witness stand two and a half hours.

Senator Teller was present and asked Secretary Root a number of questions bearing on the case, many of which were suggested by the testimony which the secretary gave. Secretary Root did not conclude his testimony, nor did Senator Teller submit all the questions he desired, and the committee decided to hear Secretary Root again.
